Logistics

- Microphones will be muted, but you will be able to ask clarifying questions along the way in the chat box. We will review the questions and send answers out in School Messenger.
PURPOSE

01 CONNECT with you!

02 Introduce you to Cadman staff who will celebrate the successes of scholars.

03 To invite you to connect with the campus through PTA, SSC
1. Every scholar has access to and equal opportunity for success, and every scholar has access to relevant, engaging, and meaningful learning experiences.
2. Teachers know the individual learning needs of every scholar, and scholars take an active role in their physical, social/emotional and academic learning.
3. Relevant technology is integrated into the learning experience; scholars learn digital citizenship skills, and move toward becoming tech-literate.
4. Scholars learn with each other and are supported by enthusiastic teachers and staff who push their thinking to the next level.
5. Teachers and staff work collaboratively to meet the needs of scholars and they recognize it is everyone’s responsibility to support every scholar.
Addressing Families’ Needs

Safety

- SDUSD is following medical and scientific advice from a team of UCSD experts
- Online to begin the year
- Onsite, with safety measures in place if/when experts agree it is safe to do so
- Option for families to continue online all year even if/when we return onsite
Addressing Families’ Needs
