Submitting the COVID -19 Testing Option Form

San Diego Unified School District continues to work with public health authorities, medical professionals, and scientific experts for a safe, responsible reopening in light of the COVID-19 pandemic. One of the best ways to prevent the spread of COVID-19 is to test for COVID regularly. For this reason, our district is offering free testing for students at school sites.

All families are required to submit a Covid-19 Testing Option Form for their student(s), whether they choose to enroll in testing, or not. Opting-in to COVID-19 testing requires filling out additional consent forms.
